Dated: Feb 18, 2010

MSN's steady growth demonstrates the confidence that physician groups continue to place in the experience, resources and results that the company has become know for throughout the country.

COLUMBUS, GA — Management Services Network, LLC (MSN), a company specializing in comprehensive practice management and billing services for physician groups and hospitals,, announces that it has entered into agreements to provide radiology billing and account receivable management services with the following radiology practices:

Jackson Radiology Associates, P.A

* A group of 6 subspecialty radiologists providing services in the Jackson, MS area

Tyson, Schwab, Short & Weiss, P.S.C.

*A group of 22 subspecialty radiologists providing services in Louisville, KY and surrounding areas

Vision Radiology, P.C.

*A radiology practice providing services in the Richlands, VA and surrounding areas

“We are excited about the addition of these new clients and look forward to providing the personalized service and expertise for which MSN has become known,” said Bo Trotter, President, MSN. “These new clients validate the confidence in MSN that the radiology community continues to demonstrate, regardless of practice size or location.”

MSN provides practice management and billing services to over 120 clients in 20 states and the U.S. Virgin Islands. Founded in 1996, MSN has established a national reputation for ethical, professional and high performance service to its Clients. MSN's mission is to provide superior results, Client by Client, through a highly experienced team of professionals with true “next generation” technology and proven operational processes.
